## Additional Information and Registration

For additional information and registration please see [www.conference.cz/EFTC2013](http://www.conference.cz/EFTC2013). Via this website you can also sign up for our digital newsletter. This newsletter will keep you informed about the conference agenda. The abstract form and further details can be found at the website. This is where you can also book your hotel accommodation.

## Prague — the capital city of the Czech Republic

Prague is the heart of Europe. With its thousands of years of history, its economic and cultural significance, it ranks among the oldest metropolises in Europe and is generally considered one of the most beautiful cities in Europe as well. Regardless of its cosmopolitan character, evident from the wide range of architectural styles, the city maintained a purely Czech nature. Its magnificent churches, cloisters, palaces, plazas and bridges, fascinating museums and mysterious streets are the collective heritage of the nations of this world. The historical centre, with its unique panorama of the Prague Castle, the largest castle complex in the world, is a listed UNESCO monument. Taking a stroll through Prague is like reliving the history of Europe.

## Congress Venue

The Congress will be held at Crowne Plaza Prague, an impressive national monument, located in close proximity to the famous Prague Castle. Offering 254 rooms and 18 meeting rooms, this four-star hotel stands in the Prague embassy district. The magical atmosphere of this place and its neighbourhood would certainly inspire you as well.

For further information please see this website: [www.austria-hotels.at/crowne-plaza/index.html](http://www.austria-hotels.at/crowne-plaza/index.html)

## National Organizing Committee

MUDr. Petr Nevšímal, Chair
